

## The How to Study Guide: Best Ways to Study and Learn (Paperback)

By Max Smart

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Studying is an integral part of any student s life. However, it s not just about studying, it s about effective studying. Effective study helps students attain the best grades, retain information for long and go ahead to forge robust careers in their fields. What separate successful students from the average ones, are the study habits they employ. It s not the amount of time we study or even how intelligent we are but rather how effective we study and learn. Studying is a skill that we need to master. Effective study habits always translate to success. There are few skills that go hand in hand with effective study habits. They are self-discipline, effective time management, and high levels of organization, concentration and effort. As a student you need to master these skills early enough since they will guide you not only in your high school life but also in college and later in life. Buy this book and learn the best study habits.
