## STRESS IN TURBULENT TIMES

DOWNLOAD

Palgrave Macmillan, UK. Hardcover. Book Condition: New. Dust Jacket Condition: No Dust Jacket. First Edition. Available Now. Book Description: Is it possible to measure the human spirit? Whether we could or should, at some point would we have to recognize that what we seek is magical in some way? Or would we come to learn that the qualities of true grit and positive thinking, or the ability to smile in the face of seemingly insurmountable odds, are those upon which any of us can call in turbulent times? The continuity of human existence means we do not go empty handed into the darker hours, for the attributes of courage and perseverance lie ready in our emotional armory. Times which echo to the sound of crashing financial markets are here, and while their resonance is both deafening and frightening, history tells us that such storms will seem like turbulence when viewed in retrospect. Our quest is how to survive them to be able to take such a privileged view. Collectively the human spirit has so far proved equal to the task and this book seeks to chart the psychological sources of challenge and inspiration for individuals, families and organizations. : Stress is undoubtedly one of the major workrelated illnesses and is even more common in times of economic uncertainty and downturn. In this new and innovative book Ashley Weinberg and Cary Cooper asses the psychological challenges created by instability and uncertainty and provide a survival toolkit that shows you how to combat stress in your own lives. : Review: 'Weinberg and Cooper show us how to fly high and stay centered while combating the challenging crosscurrents of environmental turbulence that cause stress.' - James Campbell (Jim) Quick, John and Judy Goolsby Distinguished Professor, Goolsby Leadership Academy, The University of Texas at...
