Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

CERES CELESTIAL LEGEND, VOL. 6 SHURO

VIZ Media LLC. Paperback. Book Condition: New. Yuu Watase (illustrator). Paperback. 200 pages. Dimensions: 7.5in. x 5.1in. x 0.7in. Yuu Watase, the immensely popular writer/artist of the shojo (girls) fantasy smash Fushigi Yugi: The Mysterious Play, has turned her creativity and wry sense of humour to the horror genre with her animemanga hit Ceres: Celestial Legend. Aya thought she was a normal teenager until she discovered that she can transform into a vastly powerful heavenly maiden named Ceres. . . But Ceres is furious and out for revenge! Celebrities say all kinds of outrageous things, don't they? But when Shuro - one half of Japan's hottest pop duo, GeSang - says on national television that not only is he the descendant of a tennyo celestial maiden, but that his family also still has in its possession the tennyo's celestial robe or hagoromo, Aya and the others spring into action! There's more waiting for them in Okinawa than sold-out concerts and sightseeing, though. Shuro's claims of celestial heritage may be more than just PR spin. Kei (the other half of GeSang) may feel more for his partner than friendship. And Kagami, still plotting away at his nefarious C-Project, may be closer to achieving his goals than anyone thinks. . . This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
