Wiley (TP). Hardcover. Book Condition: New. This item is printed on demand. Hardcover. 288 pages. A stupendous feat of reportage. -Ron Powers, cowriter of *Flags of Our Fathers* Praise for *Desperate Hours* Goldsteins book is packed with detail. . . . This description of the Dorias sinking is especially moving. -The New York Times A stupendous feat of reportage. Goldstein has virtually put us into lifeboats and sent us hurtling into the North Atlantic on the night of July 25, 1956. -Ron Powers, cowriter, *Flags of Our Fathers*, and author of *Dangerous Water* and *Tom and Huck Dont Live Here Anymore* On an extraordinary summers night in 1956, in a fog off Nantucket, the world-renowned ocean liner *Andrea Doria* collided with the Swedish liner *Stockholm* and, eleven hours later, tragically sank. But in that brief time the *Doria* became, after the *Titanic*, the most storied vessel of the century, as nearly 1, 700 people were saved in an unforgettable rescue punctuated by countless acts of heroism amid confusion, terror, and even cowardice. In the tradition of Walter Lords *A Night To Remember*, *Desperate Hours* re-creates the ill-fated voyage, from the passengers parting waves at Genoa, to their last evening highball in the Dorias lavish lounge, to the unbelievable realization that catastrophe was imminent. Richard Goldstein draws from dozens of interviews, court documents, memoirs, and reports that relate never-before-told stories. He also presents technical findings that shed light on the blame for the disaster. The result is a definitive history of a fateful day, a legendary liner, and a deadly shipwreck now considered by scuba divers to be the Mount Everest of the deep. This item ships from La Vergne, TN. Hardcover.
