It was from the castles that the feudal barons ruled their lands. It was there that the peasants found refuge from the attacks of Northmen and other enemies. In them chivalry was born and flourished; at their gates tournaments, jousts, and other knightly festivals took place; and in their halls the wandering singers, who were building up a new literature, found the readiest welcome and the most eager and appreciative listeners. 230. Plan of a Norman Castle. Let us fancy ourselves back in the eleventh or twelfth century, and examine a castle. We shall find the country very different, we may be sure, from what it is today. Great forests stand where now there are flourishing towns; and everything has a wilder, more unsettled look. Here is a castle in France that will suit our purpose....
