

Current Pediatric Diagnosis and Treatment (Current Pediatrics Diagnosis & Treatment)

By Myron J. Levin William W. Hay

Mcgraw-Hill Professional, 2004. Taschenbuch. Book Condition: Neu. Gebrauch - Sehr gut ungelesen, sehr guter Zustand; Rechnung mit MwSt.; unused/unread, good condition; - William W. Hay began his academic career at University of Illinois in Urbana in 1960. From 1968-74 he was Professor at both Illinois and the University of Miami's Rosenstiel School of Marine and Atmospheric Sciences. After serving as Dean of the Rosenstiel School he moved to Washington, D.C. to work on ensuring future scientific drilling in the ocean. In 1982 he moved to the University of Colorado, investigating ancient climates with colleagues at the National Center for Atmospheric Research. Since 1988 he has also served as Guest and/or Professor at the Universities of Munich, Kiel and Greifswald in Germany, the University of Utrecht in the Netherlands, and the University of Vienna in Austria. He retired from the University of Kiel in 2002. He now lives in the Rocky Mountains, but returns to Europe frequently to teach intensive short courses. 0 pp. Englisch.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Otis Wisoky**

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).

-- **Dr. Everett Dicki DDS**
