

## The Prince

By Niccolò Machiavelli, Peter E. Bondanella

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, The Prince, Niccolò Machiavelli, Peter E. Bondanella, 'A prince must not have any other object nor any other thought but war, its institutions, and its discipline; because that is the only art befitting one who commands.' When Machiavelli's brief treatise on Renaissance statecraft and princely power was posthumously published in 1532, it generated a debate that has raged unabated until the present day. Based upon Machiavelli's first-hand experience as an emissary of the Florentine Republic to the courts of Europe, The Prince analyses the usually violent means by which men seize, retain, and lose political power. Machiavelli added a dimension of incisive realism to one of the major philosophical and political issues of his time, especially the relationship between public deeds and private morality. His book provides a remarkably uncompromising picture of the true nature of power, no matter in what era or by whom it is exercised. This fluent new translation is accompanied by comprehensive notes and an introduction that considers the true purpose of The Prince and dispels some of the myths associated with it. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest...

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
