Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Would you be interested in reading a few pages from a diary of a terrorist? Seriously! That is if you, like many others, believe that anyone who is from the Middle East is a potential terrorist. On the contrary I found that the Middle East is a wonderful place where laughter is in abundance. You just got to explode, I mean explore by traveling through various countries of the Middle East. Not only an exhilarating life experience, you will also discover mystery, adventure and plenty of humour. No time, no problem! I have done it for you. The last few years have been difficult for the Arab nations. The world seemed to have latched on to its stereotypical image without understanding Arab s fascinating culture. Arabia is truly a fun place. It s a secret that needs to be let out: Arabs have a deep-rooted sense of humour and it exists in their daily life. Let me explain. I know there are millions of people who can t possibly believe what I m telling them: that Arabs both have and appreciate a sense of humour. I know that the press has convinced you otherwise. And they will. That is their job and it helps them to sell newspapers. The only way to bring in a balanced perspective is to look closely at their humour. A good and clean sense of humour to enjoy and not rude or offensive to be upsetting! Come on, don t be so serious, and smile. Did you know that humour in the Arab society is not recent or out of necessity? It has been in existence for centuries as an integral part...
