

## Sultans of Rome: The Turkish World Expansion (Paperback)

By Warwick Ball

Interlink Books, Canada, 2012. Paperback. Book Condition: New. New.. 213 x 135 mm. Language: English . Brand New Book. It has become conventional to think of the Turkish capture of Constantinople in 1453 as an Asiatic conquest. The Turks originated in Asia it is true but Constantinople was conquered from the west not the east: the Ottomans became a European power before they became a Middle Eastern one and remained a primarily European power. Indeed, the Middle East and even most of Anatolia itself was conquered from Europe. This demonstrates that it was no sudden rush of semi-civilized horse-riding nomads from the steppe, but the culmination of complex movements that had seen Turkish dynasties establish glittering monuments and cities throughout Asia. And when Turks first entered Anatolia in the 11th century, it was a Byzantine Emperor who made a relatively minor Turkish prince the first Sultan in the land that would come to be known as Turkey a prince, furthermore, who called himself not Sultan of Turkey, but Sultan of Rome! Few people, therefore, combine so thoroughly the legacies of Europe and Asia, East and West, the civilizations of Greece and Rome with that of Islam, the Near East and beyond. Few have...

### Reviews

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*

-- Prof. Kirk Cruickshank DDS

*This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better then never. I found out this book from my dad and i encouraged this pdf to find out.*

-- Justus Hettinger
