Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from *Precis Writing: For Army Classes, Civil Service Candidates, Etc* This second series of *Precis Papers* consists of the exercises set in the last five examinations for entrance to Woolwich and Sandhurst (Nos. I.-V.), of eight exercises of similar length and character compiled by me from *Parliamentary Papers* (Nos. VI.-XIII.), and of four shorter and perhaps slightly easier exercises, also compiled by me from *Parliamentary Papers* (Nos. XIV.-XVII.). I thought it would be a practical advantage to include these four shorter exercises. They may be used to begin on, or when the time (11/2 hours) required for Nos. I.-XIII. is not available. Nos. XIV.-XVII. will not require more than an hour. I have collected this second series at the request of teachers who found that the first series (published in 1903) by itself did not contain sufficient examples, and who could not obtain any other suitable book. The exercises in this second series are, I think, easier than those in the first; No. V. is more difficult than the others. The first series contains a specimen worked *Precis* of a series of correspondence; this series contains a specimen *Precis* of evidence. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
