Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Model Notes of Lessons: For Class Teaching This is a book for Pupil Teachers and for Students in Training Colleges. It covers the whole ground of ordinary elementary instruction - Reading, Writing, and Arithmetic; Object Lessons; History and Geography; Grammar and Analysis. Of the specific subjects it includes the two most commonly taken - English Literature and Domestic Economy. Chapters on Morals and on Scripture have been added, in order to adapt the book to all classes of schools. The book differs from others on the same subject in being at once a manual of method and a collection of models. The latter will be found to be characterized by great variety, both in subject and in system of arrangement. In a recent Government Examination Paper the following directions on this subject are given: - N.B. - Make them real notes of a lesson, not a string of names, but well arranged particulars clearly explained, in the order most likely to interest children and help them to remember. Do not lose time in speaking of...
