John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, The Newer, More English Version, Tom Carver, In the beginning was the word, and you know the rest. Not like this you don't. In a new twist on a classic tale, Tom Carver re-imagines the Old Testament without the leading character. The Newer, More English Version takes an erudite look at the supporting players of the Pentateuch, with no Jehovah to steal the show. What's left is a varied cast of egomaniacs, revolutionaries, war criminals, geni and perverts: Joseph, smug careerist and part-time psychoanalyst; Moses, a revolutionary firebrand who just wants to belong; Abraham, the world's first and greatest global branding strategist; and one very strange tree.
