Henery Press, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.VINTAGE VENDETTA A sense of danger and menace pervades the entire novel, but it is lightened by Mad s genuine likability and strength. Vallere has crafted an extremely unique mystery series with an intelligent heroine whose appeal will never go out of style. - Kings River Life Magazine If you love Doris Day, you ll love Madison Night, decorator extraordinaire. She specializes in restoring mid-century homes and designs, and her latest project involves abductions, murder and vengeance! - Books for Avid Readers This is a very good book.While there were plenty of viable suspects, when the final scenes arrived, the ending was as scary as it was believable in the fact that knowing how people think in the real world, it could have been factual. Highly recommended, and I look forward to the next installment in this mystery series. - Any Good Book The story kept me entertained and interested.The characters were likable and fit into the story very well. I would definitely recommend! - Deb Krenzer, Booklikes Vallere has added another successful mystery to the Mad for Mod series. In With Vics You Get Eggroll she delivers her most suspenseful story yet.It was very hard to turn the last page in this book. I absolutely loved it, as I did the two books that came before it. - Lorelee Peterson, Librarian This is the second book in this series that I ve read and I loved it.This story twists and turns and I was kept guessing until the end. I highly recommend this book, this series. Five stars. - Rott-i-Tude Book Reviews A well-constructed tale with solid characters and page after page of interesting, intelligent dialogue....
