By Leslie Thomas

When Dangerous is beaten up, yet again, at a European Friendship dinner dance he reluctantly takes some sick leave. Recuperating in Bournemouth he is approached by a member of the local Widows' Luncheon Club. She wants him to find out the truth about her husband's disappearance. Dangerous declines. It's against the rules. Back in Willesden a further beating helps change his mind. So starts a double life of regular casework and moonlighting as Dangerous lurches into a mystery fit to confuse the great Holmes himself.

*The ideal ebook i possibly study. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.*
