Malcolm S. Rosenberg. Paperback. Book Condition: New. Paperback. 140 pages. Dimensions: 11.0in. x 8.5in. x 0.3in. Simplicity is my passion. How many times have you struggled to learn something. It can happen in a classroom, with a textbook, on the job, in a seminar, or even in your home when you want to reset the clock on the VCR. Then, suddenly you get it! You slap yourself on the forehead and then think, Well why didnt they just tell me that in the first place Why do they always make this stuff so complicated! These short books and pamphlets are based on practical teaching and learning experiences. These are the basics, the right information to get you started with confidence, and then get you through the tests and certifications we all face. Most of all, these lessons will help you to provide the level of care your patients expect and deserve. Weve tried to serve up the information in bite-sized chunks with simple (and sometimes silly) cartoons to aid in digestion. Please enjoy these books. Let us know what you think. Have we hit the right level of simplicity This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
