Philosophy and Physical Basis of A Neo-Modern Physics (Paperback)

By Dr. Sh. Mz., Dr. H. Ho

AUTHORHOUSE, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.From about one century ago, scientists tried to explain new unsolved problems in physics by a new field of physic which later had been called modern physics. Since then, problems like black-body radiation, lines on spectroscopes, electric current, deflation of light on gravity field, interference, chemical properties of elements, and some other, have been explained and actually, great progresses have been deduced to human being. But nowadays, and after a long period of time it seems that we are still digging a well that once, had great treasures in it. Since the very early days of the birth of quantum theories by Schrodinger, Heisenberg, de Broglie and others, and the description of general relativity by Einstein, great pit falls and challenges was obvious, which many are quiet familiar to the reader and many of our professors and teachers pointed it when we where students. Unfortunately, most of these criticizer professors are banished! In this booklet, a quick survey on those defects is done, and a new way for explaining the facts around us is suggested. These can be...
