Just as the biblical Esther needed a year of beauty preparations with myrrh, oil, and sweet spices, a modern Esther needs preparation to fulfill her destiny. In this in-depth companion study to For Such a Time as This, young women from the ages of twelve to twenty-five follow Esther's example to shape their unique gifts and destinies in a way that will set them apart from the world. Interactive lessons equip them to develop character traits such as courage, chastity, grace, and dignity -- transforming them into mature women of God.
