In book one of the Fury trilogy, Cee Winters and Chase Singer discover that a little guilt isn't the only consequence of doing wrong. After Cee hooks up with her best friend's boyfriend and Chase's secret harassment of a social outcast spirals out of control, three mysterious Furies-paranormal creatures that often assume the form of beautiful women-come to town to make sure that Cee and Chase get what they deserve. Not everyone will survive-and those who do will discover there are worse punishments than death. But when Cee befriends outcast Drea and learns more about who and what the Furies really are, she becomes resolved above all to take them down and stop their plans. Little does Cee know that, by confronting the Furies, she could become inextricably bound to them for life.
