Manager, Agricultural Dept., The Barrett Co., New York City. 4 President, Southern Ferro-Alloy Co., Chattanooga, Tenn. One of the mysteries connected, with the rates is that those for domestic lighting in Toronto are the same as for Niagara Falls, although Toronto is 80 miles away from the source of power. As regards the collapse of the carbide business in Europe, I may be wrong in my explanation of it, but I always understood that the trouble was due, at least in great part, to the upholding by the courts of the validity of the Bullier patents. E. Kilburn Scott5: Since coming here I have been surprised to note a tendency towards municipal trading of electric power supply. Such municipal ownership of electric plants in England has been largely responsible for retarding power supply on a large and efficient scale. I take it that the movement here is due to certain American companies not having done the square thing by some of their consumers, but surely the situation could be taken care of by the commissions allowing two companies to supply a particular area, so using the effect of competition. Municipal ownership in England resulted in a multitude of small power stations having relatively expensive buildings, decorated with the names of the shop-keepers, lawyers, etc., who happened to form the electric light committees at the time. However well organized at first, friends and relatives of the councillors got onto the staff, and...
