

Communicative Proficiency and Linguistic Development (Paperback)

By Inge Bartning, Maisa Martin, Dr Ineke Vedder

Lulu.com, United Kingdom, 2011. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.The Common European Framework of Reference for Languages (CEFR) has become the yardstick for teaching and testing language skills in Europe and elsewhere. Yet little is known about the relationships between the communicative levels established using the can-do statements of the CEFR and the developmental stages of grammatical and lexical development described by Second Language Acquisition (SLA) research. This book presents empirical research by members of the SLATE network (Second Language Acquisition and Testing in Europe), aimed at bridging this gap. Authors come from the fields of Language Testing and Second Language Acquisition and the chapters contained here demonstrate the fruitfulness of such an interdisciplinary collaboration. The studies deal with several target languages, including Dutch, English, Finnish, French, Italian, Norwegian and Spanish, with adult, adolescent and child learners in both formal and informal contexts. This variety of data and approaches witnesses the possibilities and challenges involved in such bridge-building efforts.
