Reviews

Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

MONTESSORI: NUMBER WORK

DOWNLOAD

Harry N. Abrams. Hardcover. Book Condition: New. Alyssa Nassner (illustrator). Board book. 24 pages. Dimensions: 9.9in. x 4.9in. x 0.6in. These unique board books bring the popular Montessori pedagogy to trade book form for the first time. Using materials and methods common to Montessori classrooms, these interactive board books immerse young children in an aesthetically rich learning experience, while providing parents and caregivers with carefully crafted language to encourage understanding. This book follows the Montessori method by introducing the numbers 1 to 10 first as quantities to count before showing them as numerals. Cumulative red and blue tabs based on the counting rods found in Montessori classrooms help readers conceptualize quantities. Groupings of beautifully stylized illustrations provide objects to count before readers encounter textured numerals to trace with their fingers. Praise for Montessori: Number Work Nicely illustrated, this tall, distinctive board book is a useful resource for parents and teachers. Booklist The combination of phonetics and simple retro illustration makes for an excellent entree into pre-literacy. The Wall Street Journal This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Board book.
