*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Two years ago, Ginny Porter made some bad decisions -- the biggest of which was falling for her boyfriend s lies. While she regretted her period of rebellion, she would never regret the birth of their child, Sophy. Now, trying to get her life back on track and with a fresh teaching certificate in hand, she and Sophy are headed to an Idaho farm where Ginny has a summer job as a tutor. For Dallas Reid, hiring a tutor for his eight-year-old step-brother had seemed like a good idea but he hadn t expected her to be a beautiful young mother and her adorable toddler. Their growing attraction for each other is hindered when Dallas realizes Ginny s past has a long reach and is endangering her life. But even though Dallas appears to be everything Todd was not, Ginny doesn t know if she can rely on her instincts and confide in him. By learning to trust each other and deal with the secrets each are holding, Dallas and Ginny s Idaho summer turns into life-changing lessons on God s grace and the blessing of second chances.
