Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

THE JAIN PATH: ANCIENT WISDOM FOR THE WEST

John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, The Jain Path: Ancient Wisdom for the West, Aidan Rankin, This book offers a unique look at one of the oldest religions in the world, and how it can guide us to spiritual and intellectual growth. It bridges the gap between Western religious beliefs and Eastern spiritual philosophies. Jainism is India's oldest spiritual tradition, and one of the oldest religions in the entire world. It rejects the notion of a supreme being, and advocates a deep respect for all living things, and the connections they share. "The Jain Path" looks at how perhaps one of the most individually demanding, rational, and radical of all religions is becoming ever more popular with those trying to re-discover a balance and continuity in their lives. This informative look at how the principals of the Jainism tradition - simple living, non-violence, responsibility, and respect for all things - provides readers with all the tools they need for spiritual and intellectual growth in this ever-more confusing world.
